Jack Callaghan's Ale House

Volume 7, No. 10

March 2008

CALLAGHAN'S MARKS 10TH ANNIVERSARY ON MARCH 1...AND GOES "SMOKE FREE"!!!

Ten years and going strong, Jack Callaghan's Ale House will become a "smoke free" establishment in honor of our 10th Anniversary in business. This is a decision that was made for the welfare of our Customers, Staff, and the community who patronizes our Pub. This decision may cost us business in the short term, but the safety and health of our staff and customers is more important. We believe that business will come back, and will attract those who have been inconvenienced by the smoke filled atmosphere.

Sign up for the March 29th Pub Crawl through the West End! Contact me at jack@jackcallaghans.com and I will send you the details.

We hope you will support us in this decision!
